Dear Mr. Satterwhite:

Thank you for your letter of November 8, 1974, and I would be most happy to help in any way on a workshop for legal reference tools. We provide this sort of thing quite often for non-legal persons, and it would create no inconvenience at all.

Many people helped me to acquire the legal bibliographic knowledge I have, and so I always feel it is a bit of a repayment to be able to assist anyone else to do the same. Please feel free to contact me at anytime, and will look forward to further communications.

Very sincerely,

Nancy J. Kitchen
